GET INVOLVED

Whether you volunteer your time, donate resources, or make a tax-deductible financial contribution, your support helps lay the foundation for those we serve.

WHO WE ARE

We are a faith-based, mission-driven organization committed to developing and strengthening affordable, trauma-informed housing solutions.

WHAT WE DO

Grounded in compassion, safety, dignity, healing, and stability—and in connection to broader community supports—we create environments where people can move beyond crisis, begin healing, and build secure, sustainable futures.

WHO WE SERVE

Unaccompanied youth and young adults ages 16–25 who are unsheltered or at risk of being unsheltered and are seeking a safe pathway toward stability, self-sufficiency, and a sustainable future.
